Weiden, den 05.03.2025

Dear Prof. Sobol,

We are pleased to announce that within the framework of the project DILLUGIS'25 (Digital Laboratories and Lectures for Ukrainian, German and International Students), initiated by the East Bavarian University of Applied Sciences Amberg Weiden (OTH Amberg Weiden), implemented within the framework of the DAAD programme 'Digital Ukraine: Ensuring Academic Success in Times of Crisis', to which Volodymyr Vynnychenko Central Ukrainian State University joined in 2024, students and lecturers have been selected to participate in the academic mobility programme.

We invite the following students of Volodymyr Vynnychenko Central Ukrainian State University, who have passed the competitive selection, and lecturers to join the DILLUGIS 2025 project in the online courses of their choice in the sommer semester, which will last from 18 March 2025 to 30 July 2025.

We hope for further support of the project by Oleksandr Levchenko, project coordinator from Volodymyr Vynnychenko Central Ukrainian State University.

Yours sincerely,

Prof. Dr. Julia Heigl,
Vice-dean of Department of Industrial Engineering and Healthcare
DILLUGIS project coordinator
